our brides say:

"Kelli created the most beautiful welcome sign and seating chart for our wedding! The signs really tied together our overall theme, and she made it such a breeze to send her information, pick our mirrors, and the delivery went perfectly. I highly recommend!"

Kendal T.

"Kelli is so talented and the pieces she created for our wedding day were perfect! She designed our welcome mirror for the reception and a mirror for our guest book sign. She has a great selection of mirror rentals to choose from and the design process was easy. Delivery and pickup to my venue were included. Everything Kelli created for us was the perfect personalized touch for our wedding day!"
